## Subpart A—Industry Guidance

### ADVISORY OPINIONS

### § 1.1 Policy.

(a) Any person, partnership, or corporation may request advice from the Commission with respect to a course of action which the requesting party proposes to pursue. The Commission will consider such requests for advice and inform the requesting party of the Commission's views, where practicable, under the following circumstances.

(1) The matter involves a substantial or novel question of fact or law and there is no clear Commission or court precedent; or

## § 1.2

(2) The subject matter of the request and consequent publication of Commission advice is of significant public interest.

(b) The Commission has authorized its staff to consider all requests for advice and to render advice, where practicable, in those circumstances in which a Commission opinion would not be warranted. Hypothetical questions will not be answered, and a request for advice will ordinarily be considered inappropriate where:

(1) The same or substantially the same course of action is under investigation or is or has been the subject of a current proceeding involving the Commission or another governmental agency, or

(2) An informed opinion cannot be made or could be made only after extensive investigation, clinical study, testing, or collateral inquiry.

[44 FR 21624, Apr. 11, 1979; 44 FR 23515, Apr. 20, 1979, as amended at 54 FR 14072, Apr. 7, 1989]

### § 1.2 Procedure.

(a) Application. The request for advice or interpretation should be submitted in writing (one original and two copies) to the Secretary of the Commission and should: (1) State clearly the question(s) that the applicant wishes resolved; (2) cite the provision of law under which the question arises; and (3) state all facts which the applicant believes to be material. In addition, the identity of the companies and other persons involved should be disclosed. Letters relating to unnamed companies or persons may not be answered. Submittal of additional facts may be requested prior to the rendering of any advice.

(b) Compliance matters. If the request is for advice as to whether the proposed course of action may violate an outstanding order to cease and desist issued by the Commission, such request will be considered as provided for in § 2.41 of this chapter.

### § 1.3 Advice.

(a) On the basis of the materials submitted, as well as any other informa-

tion available, and if practicable, the Commission or its staff will inform the requesting party of its views.

(b) Any advice given by the Commission is without prejudice to the right of the Commission to reconsider the questions involved and, where the public interest requires, to rescind or revoke the action. Notice of such rescission or revocation will be given to the requesting party so that he may discontinue the course of action taken pursuant to the Commission's advice. The Commission will not proceed against the requesting party with respect to any action taken in good faith reliance upon the Commission's advice under this section, where all the relevant facts were fully, completely, and accurately presented to the Commission and where such action was promptly discontinued upon notification of rescission or revocation of the Commission's approval.

(c) Advice rendered by the staff is without prejudice to the right of the Commission later to rescind the advice and, where appropriate, to commence an enforcement proceeding.

[44 FR 21624, Apr. 11, 1979]

### § 1.4 Public disclosure.

Written advice rendered pursuant to this section and requests therefor, including names and details, will be placed in the Commission's public record immediately after the requesting party has received the advice, subject to any limitations on public disclosure arising from statutory restrictions, the Commission's rules, and the public interest. A request for confidential treatment of information submitted in connection with the questions should be made separately.

[44 FR 21624, Apr. 11, 1979]

## INDUSTRY GUIDES

### § 1.5 Purpose.

Industry guides are administrative interpretations of laws administered by the Commission for the guidance of the public in conducting its affairs in conformity with legal requirements. They provide the basis for voluntary and simultaneous abandonment of unlawful

## § 1.10

practices by members of industry. Failure to comply with the guides may result in corrective action by the Commission under applicable statutory provisions. Guides may relate to a practice common to many industries or to specific practices of a particular industry.

### § 1.6 How promulgated.

Industry guides<sup>1</sup> are promulgated by the Commission on its own initiative or pursuant to petition filed with the Secretary or upon informal application therefor, by any interested person or group, when it appears to the Commission that guidance as to the legal requirements applicable to particular practices would be beneficial in the public interest and would serve to bring about more widespread and equitable observance of laws administered by the Commission. In connection with the promulgation of industry guides, the Commission at any time may conduct such investigations, make such studies, and hold such conferences or hearings as it may deem appropriate. All or any part of any such investigation, study, conference, or hearing may be conducted under the provisions of subpart A of part 2 of this chapter.

### Subpart B—Rules and Rulemaking Under Section 18(a)(1)(B) of the FTC Act

AUTHORITY: Sec. 6, 38 Stat. 721 (15 U.S.C. 46); sec. 18(a)(1)(B), 88 Stat. 2193 (15 U.S.C. 57a); sec. 552, 80 Stat. 378 (5 U.S.C. 552).

### § 1.7 Scope of rules in this subpart.

The rules in this subpart apply to and govern proceedings for the promulgation of rules as provided in section 18(a)(1)(B) of the Federal Trade Commission Act. Such rules shall be known as trade regulation rules. All other rulemaking proceedings shall be governed by the rules in subpart C, except as otherwise required by law or as otherwise specified in this chapter.

[46 FR 26288, May, 12, 1981, as amended at 50 FR 53303, Dec. 31, 1985]

<sup>1</sup>In the past, certain of these have been promulgated and referred to as trade practice rules.

### § 1.8 Nature, authority and use of trade regulation rules.

(a) For the purpose of carrying out the provisions of the Federal Trade Commission Act, the Commission is empowered to promulgate trade regulation rules which define with specificity acts or practices which are unfair or deceptive acts or practices in or affecting commerce. Such rules may include requirements prescribed for the purpose of preventing such acts or practices. A violation of a rule shall constitute an unfair or deceptive act or practice in violation of section 5(a)(1) of that Act, unless the Commission otherwise expressly provides in its rule. However, the respondent in an adjudicative proceeding may show that his conduct does not violate the rule or assert any other defense to which he is legally entitled.

(b) The Commission at any time may conduct such investigations, make such studies and hold such conferences as it may deem necessary. All or any part of any such investigation may be conducted under the provisions of subpart A of part 2 of this chapter.

[46 FR 26288, May 12, 1981]

### § 1.9 Petitions to commence trade regulation rule proceedings.

Trade regulation rule proceedings may be commenced by the Commission upon its own initiative or pursuant to written petition filed with the Secretary by any interested person stating reasonable grounds therefor. If the Commission determines to commence a trade regulation rule proceeding pursuant to the petition, the petitioner shall be mailed a copy of the public notices issued under §§ 1.10, 1.11 and 1.12. Any person whose petition is not deemed by the Commission sufficient to warrant commencement of a rulemaking proceeding shall be notified of that determination and may be given an opportunity to submit additional data.

[46 FR 26288, May, 12, 1981, as amended at 50 FR 53303, Dec. 31, 1985]

### § 1.10 Advance notice of proposed rule-making.

FEDERAL REGISTER an advance notice of such proposed proceeding.

(b) The advance notice shall:

(1) Contain a brief description of the area of inquiry under consideration, the objectives which the Commission seeks to achieve, and possible regulatory alternatives under consideration by the Commission; and

(2) Invite the response of interested persons with respect to such proposed rulemaking, including any suggestions or alternative methods for achieving such objectives.

(c) The advance notice shall be submitted to the Committee on Commerce, Science, and Transportation of the Senate and to the Committee on Interstate and Foreign Commerce of the House of Representatives.

(d) The Commission may, in addition to publication of the advance notice, use such additional mechanisms as it considers useful to obtain suggestions regarding the content of the area of inquiry before publication of an initial notice of proposed rulemaking pursuant to § 1.11.

[46 FR 26288, May, 12, 1981, as amended at 50 FR 53303, Dec. 31, 1985]

### § 1.11 Commencement of a rulemaking proceeding.

(a) *Initial notice.* A trade regulation rule proceeding shall commence with an initial notice of proposed rulemaking. (b) *Comments proposing issues subject to the procedures of § 1.13(d)(5) and (d)(6).* Interested persons may propose issues for consideration in accordance with § 1.13(d)(5) and (d)(6) until thirty (30) days after the close of the written comment period or such other period as the Commission may establish in the initial notice.

(c) *Presiding officer—(1) Assignment.* Upon commencement of a proposed trade regulation rule proceeding, a presiding officer shall be appointed by the Chief Presiding Officer or, when the Commission or one or more of its members serves as presiding officer, by the Commission.

cluding cross-examination, which a person may be entitled to conduct or have conducted be conducted by the presiding officer on behalf of that person in such a manner as the presiding officer determines to be appropriate and to be required for a full and true disclosure with respect to any issue designated for consideration in accordance with § 1.13 (d)(5) and (d)(6);

(ix) To rule upon all motions or petitions of interested persons, which motions or petitions must be filed with the presiding officer until the close of the postrecord comment period.

(3) *Review of rulings by the presiding officer—(i) Review after certification by the presiding officer.* Except as otherwise provided in paragraph (c)(3)(ii) of this section, applications for review of a ruling will not be entertained by the Commission prior to its review of the record pursuant to § 1.14, unless the presiding officer certifies in writing to the Commission that a ruling involves a controlling question of law or policy as to which there is substantial ground for difference of opinion and that an immediate review of the ruling may materially advance the ultimate termination of the proceeding or subsequent review will be an inadequate remedy. Within five (5) days after a ruling by the presiding officer, any interested person may petition the presiding officer for certification of that ruling to the Commission. Certification of a ruling shall not stay the rulemaking proceeding unless the presiding officer or

the Commission shall so order. Submissions to the Commission not to exceed fifteen (15) pages may be made within ten (10) days of the presiding officer's certification. All such filings shall be a part of the rulemaking record. The Commission may thereupon, in its discretion, permit the appeal. Commission review, if permitted, will be based on the application for review and any additional submissions, without oral argument or further briefs, unless otherwise ordered by the Commission.

(ii) *Review without certification by the presiding officer.* Within ten (10) days after publication of the final notice, any interested person may petition the Commission for addition, modification or deletion of a designated issue, accompanied by a filing not to exceed fifteen (15) pages. Additional submissions on the issue by other interested persons, not to exceed fifteen (15) pages, may be made within twenty (20) days of the publication of the final notice. The Commission may thereupon, in its discretion, permit the appeal. Commission review, if permitted, will be based on the petition and any additional submissions, without oral argument or further briefs, unless otherwise ordered by the Commission. A petition hereunder shall not stay the rulemaking proceeding unless the presiding officer or the Commission shall so order. All petitions filed under this paragraph shall be a part of the rulemaking record. Notice of the filing of any such petition may be obtained from the Office of the Secretary of the Commission. In the event any designated issue is added or substantially modified by the Commission, interested persons shall be given a further opportunity to identify their interests with respect to those issues.

(4) *Substitution of presiding officer.* In the event of the substitution of a new presiding officer for the one originally appointed, any motion predicated upon such substitution shall be made within five (5) days thereafter.

(5) *Organization.* In the performance of their rulemaking functions, presiding officers shall be responsible to the chief presiding officer who shall not be responsible to any other officer or employee of the Commission.

(6) *Ex parte communications.* Except as required for the disposition of *ex parte*

matters as authorized by law, no presiding officer shall consult any person or party with respect to any fact in issue unless such officer gives notice and opportunity for all parties to participate.

(d) *Informal hearings.* An informal hearing with the opportunity for oral presentations on all issues shall be conducted by the presiding officer. In addition, if an issue is designated pursuant to these rules for consideration in accordance with § 1.13(d) (5) and (6), the informal hearing on such issues shall be conducted in accordance with those paragraphs. For all other issues the presiding officer may in his discretion employ, in whole or in part, the procedures of those paragraphs.

(1) *Nature of issues for consideration in accordance with § 1.13 (d)(5) and (d)(6)—*

(i) *Issues that must be considered in accordance with § 1.13(d)(5) and (d)(6).* The only issues that must be designated for consideration in accordance with paragraphs (d)(5) and (d)(6) of this section are disputed issues of fact that are determined by the Commission or the presiding officer to be material and necessary to resolve.

(ii) *Issues that may be considered in accordance with § 1.13(d)(5) and (d)(6).* The Commission and the presiding officer retain the power to designate any other issues for consideration in accordance with paragraphs (d)(5) and (d)(6) of this section.

(2) *Addition or modification of issues for consideration in accordance with § 1.13(d)(5) and (d)(6).* The presiding officer may at any time on his own motion or pursuant to a written petition by interested persons, add or modify any issues designated pursuant to § 1.12(a). No such petition shall be considered unless good cause is shown why any such proposed issue was not proposed pursuant to § 1.13(b).

(3) *Identification of interests.* Not later than twenty (20) days after publication of the final notice each interested person who desires to avail himself of the procedures of paragraphs (d)(5) and (d)(6) of this section shall notify the presiding officer in writing of his particular interest with respect to each issue designated for consideration in accordance with those subsections. In

the event that new issues are designated, each interested person shall promptly notify the presiding officer of his particular interest with respect to each such issue.

(4) *Examination and cross-examination by the presiding officer.* The presiding officer may conduct any examination, including cross-examination, to which a person may be entitled. For that purpose he may require submission of written requests for presentation of questions to any person making oral presentations and shall determine whether to ask such questions or any other questions. All requests for presentation of questions shall be placed in the rulemaking record.

(5) *Examination, cross-examination, and the presentation of rebuttal submissions by interested persons—(i) In general.* The presiding officer shall conduct or allow to be conducted examination, including cross-examination of oral presentations and the presentation of rebuttal submissions relevant to the issues designated for consideration in accordance with paragraphs (d)(5) and (d)(6) of this section. Examination, including cross-examination, and the presentation of rebuttal submissions, shall be allowed to the extent to which it is appropriate and is required for a full and true disclosure with respect to those issues. Requests for an opportunity to examine, including cross-examine, or to present rebuttal submissions, shall be accompanied by a specific justification therefor. In determining whether or not to grant such requests, the presence of the following circumstances indicate that such requests should be granted:

(A) An issue for examination including cross-examination, or the presentation of rebuttal submissions, is an issue of specific in contrast to legislative fact.

(B) A full and true disclosure with respect to the issue can only be achieved through examination including cross-examination rather than through rebuttal submissions or the presentation of additional oral submissions.

(C) Circumstantial guarantees of the trustworthiness of a presentation do not exist.

(D) The particular presentation is required for the resolution of a designated issue.

(ii) *Selection of representatives for cross-examination.* After consideration of the information supplied in response to the final notice, the presiding officer shall identify groups of persons with the same or similar interests in the proceeding. Any such group may be required to select a single representative for the purpose of examination, including cross-examination. If a group is unable to select a representative then the presiding officer may select a representative of each such group.

(iii) *Inability to select representative for examination, including cross-examination.* No person shall be denied the opportunity to conduct or have conducted, examination, including cross-examination, under paragraph (d)(5)(i) of this section if he is a member of a group as described in paragraph (d)(5)(ii) of this section and is unable to agree upon group representation with other group members after a good faith effort to do so and seeks to present substantial and relevant issues which will not be adequately presented by the group representative. In that event he shall be allowed to conduct or have conducted any examination, including cross-examination, to which he is entitled on issues designated for consideration in accordance with paragraphs (d)(5) and (d)(6) of this section and which affect his particular interest.

(6) *Requests to compel the attendance of persons or the production of documents or to obtain responses to written questions.* During the course of the rulemaking proceeding, the presiding officer shall entertain requests from the Commission's staff or any interested person to compel the attendance of persons or the production of documents or to obtain responses to written questions. Requests to compel the attendance of persons or the production of documents or to obtain responses to written questions shall contain a statement showing the general relevancy of the material, information or presentation, and the reasonableness of the scope of the request, together with a showing that such material, information or presentation is not available by voluntary methods and cannot be obtained

through examination, including cross-examination, of oral presentations or the presentation of rebuttal submissions, and is appropriate and required for a full and true disclosure with respect to the issues designated for consideration in accordance with paragraphs (d)(5) and (d)(6) of this section. If the presiding officer determines that a request should be granted, he shall transmit his determination to the Commission which shall determine whether to issue a civil investigative demand under § 2.7(b). Information received in response to such a demand may be disclosed in the rulemaking proceeding subject to an *in camera* order under § 1.18(b).

(e) *Written transcript.* A verbatim transcript shall be made of the informal hearing which transcript shall be placed in the rulemaking record.

(f) *Staff recommendations.* The staff shall make recommendations to the Commission in a report on the rulemaking record. Such report shall contain its analysis of the record and its recommendations as to the form of the final rule.

(g) *Recommended decision.* After publication of the staff report, the presiding officer shall make a recommended decision based upon his or her findings and conclusions as to all relevant and material evidence, and taking into account the staff report. The recommended decision shall be made by the presiding officer who presided over the rulemaking proceeding except that such recommended decision may be made by another officer if the officer who presided over the proceeding is no longer available to the Commission.

(h) *Postrecord comment.* The staff report and the presiding officer's recommended decision shall be the subject of public comment for a period to be prescribed by the presiding officer at the time the recommended decision is placed in the rulemaking record. The comment period shall be no less than sixty (60) days. The comments shall be confined to information already in the record and may include requests for review by the Commission of determinations made by the presiding officer.

(i) *Commission review of the rulemaking record.* The Commission shall review the rulemaking record to determine

what form of rule, if any, it should promulgate. During this review process, the Commission may allow persons who have previously participated in the proceeding to make oral presentations to the Commission, unless it determines with respect to that proceeding that such presentations would not significantly assist it in its deliberations. Presentations shall be confined to information already in the rulemaking record. Requests to participate in an oral presentation must be received by the Commission no later than the close of the comment period under § 1.13(h). The identity of the participants and the format of such presentations will be announced in advance by the Office of Public Information in the Commission's *Weekly Calendar and Notice of "Sunshine" Meetings* and in accordance with the applicable provisions of 5 U.S.C. 552(b) and § 4.15 of the Commission's Rules of Practice. Such presentations will be transcribed verbatim or summarized at the discretion of the Commission and a copy of the transcript or summary and copies of any written communications and summaries of any oral communications relating to such presentations shall be placed on the rulemaking record.

(vi) The information required by the Regulatory Flexibility Act at 5 U.S.C. 604.

(b) In the event the Commission determines, upon its review of the rulemaking record, to propose a revised rule for further proceedings in accordance with this subpart, such proceedings, including the opportunity of interested persons to avail themselves of the procedures of § 1.13 (d)(5) and (d)(6), shall be limited to those portions of the revised rule, the subjects and issues of which were not substantially the subject of comment in response to a previous notice of proposed rulemaking.

(c) The final rule and Statement of Basis and Purpose shall be published in the FEDERAL REGISTER. A rule issued under this subpart shall be deemed promulgated at 3 p.m. Eastern Standard Time on the fourth day after the date on which the final rule and Statement of Basis and Purpose are published in the FEDERAL REGISTER. [50 FR 53304, Dec. 31, 1985]

### **§ 1.22 Rulemaking.**

(a) *Nature and authority.* For the purpose of carrying out the provisions of the statutes administered by it, the Commission is empowered to promulgate rules and regulations applicable to unlawful trade practices. Such rules and regulations express the experience and judgment of the Commission, based on facts of which it has knowledge derived from studies, reports, investigations, hearings, and other proceedings, or within official notice, concerning the substantive requirements of the statutes which it administers.

(b) *Scope.* Rules may cover all applications of a particular statutory provision and may be nationwide in effect,

## § 1.23

or they may be limited to particular areas or industries or to particular product or geographic markets, as may be appropriate.

(c) *Use of rules in adjudicative proceedings.* When a rule is relevant to any issue involved in an adjudicative proceeding thereafter instituted, the Commission may rely upon the rule to resolve such issue, provided that the respondent shall have been given a fair hearing on the applicability of the rule to the particular case.

[40 FR 15232, Apr. 4, 1975]

Proceedings for the issuance of rules or regulations, including proceedings for exemption of products or classes of products from statutory requirements, may be commenced by the Commission upon its own initiative or pursuant to petition filed with the Secretary by any interested person or group stating reasonable grounds therefor. Anyone whose petition is not deemed by the Commission sufficient to warrant the holding of a rulemaking proceeding will be promptly notified of that determination and given an opportunity to submit additional data. Procedures for the amendment or repeal of a rule or

regulation are the same as for the issuance thereof.

### § 1.26 Procedure.

(a) *Investigations and conferences.* In connection with any rulemaking proceeding, the Commission at any time may conduct such investigations, make such studies, and hold such conferences as it may deem necessary. All or any part of any such investigation may be conducted under the provisions of subpart A of part 2 of this chapter.

(b) *Notice.* General notice of proposed rulemaking will be published in the FEDERAL REGISTER and, to the extent practicable, otherwise made available to interested persons except when the Commission for good cause finds that notice and public procedure relating to the rule are impractical, unnecessary or contrary to the public interest and incorporates such finding and a brief statement of the reasons therefor in the rule. If the rulemaking proceeding was instituted pursuant to petition, a copy of the notice will be served on the petitioner. Such notice will include:

- (1) A statement of the time, place, and nature of the public proceedings;
- (2) Reference to the authority under which the rule is proposed;
- (3) Either the terms or substance of the proposed rule or description of the subjects and issues involved;
- (4) An opportunity for interested persons to participate in the proceeding through the submission of written data, views, or arguments; and (5) A statement setting forth such procedures for treatment of communications from persons not employed by the Commission to Commissioners or Commissioner Advisors with respect to the merits of the proceeding as will incorporate the requirements of § 1.18(c), including the transcription of oral communications required by § 1.18(c)(2), adapted in such form as may be appropriate to the circumstances of the particular proceeding.

(c) *Oral hearings.* Oral hearing on a proposed rule may be held within the discretion of the Commission, unless otherwise expressly required by law. Any such hearing will be conducted by the Commission, a member thereof, or

a member of the Commission's staff. At the hearing interested persons may appear and express their views as to the proposed rule and may suggest such amendments, revisions, and additions thereto as they may consider desirable and appropriate. The presiding officer may impose reasonable limitations upon the length of time allotted to any person. If by reason of the limitations imposed the person cannot complete the presentation of his suggestions, he may within twenty-four (24) hours file a written statement covering those relevant matters which he did not orally present.

(d) *Promulgation of rules or orders.* The Commission, after consideration of all relevant matters of fact, law, policy, and discretion, including all relevant matters presented by interested persons in the proceeding, will adopt and publish in the FEDERAL REGISTER an appropriate rule or order, together with a concise general statement of its basis and purpose and any necessary findings, or will give other appropriate public notice of disposition of the proceeding.

(e) *Effective date of rules.* Except as provided in paragraphs (f) and (g) of this section, the effective date of any rule, or of the amendment, suspension, or repeal of any rule will be as specified in a notice published in the FEDERAL REGISTER, which date will be not less than thirty (30) days after the date of such publication unless an earlier effective date is specified by the Commission upon good cause found and published with the rule.

(f) *Effective date of rules and orders under Fair Packaging and Labeling Act.* The effective date of any rule or order under the Fair Packaging and Labeling Act will be as specified by order published in the FEDERAL REGISTER, but shall not be prior to the day following the last day on which objections may be filed under paragraph (g) of this section.

(g) *Objections and request for hearing under Fair Packaging and Labeling Act.* On or before the thirtieth (30th) day after the date of publication of an order in the FEDERAL REGISTER pursuant to paragraph (f) of this section, any person who will be adversely affected by the order if placed in effect may file

objections thereto with the Secretary of the Commission, specifying with particularity the provisions of the order deemed objectionable, stating the grounds therefor, and requesting a public hearing upon such objections. Objections will be deemed sufficient to warrant the holding of a public hearing only:

(1) If they establish that the objector will be adversely affected by the order;

(2) If they specify with particularity the provisions of the order to which objection is taken; and

(3) If they are supported by reasonable grounds which, if valid and factually supported, may be adequate to justify the relief sought.

Anyone who files objections which are not deemed by the Commission sufficient to warrant the holding of a public hearing will be promptly notified of that determination. As soon as practicable after the time for filing objections has expired, the Commission will publish a notice in the FEDERAL REGISTER specifying those parts of the order which have been stayed by the filing of objections or, if no objections sufficient to warrant the holding of a hearing have been filed, stating that fact.

Such numbers are for use as required identification in lieu of the name of the person to whom the number has been issued in satisfying the identification requirement in labeling under the respective Acts. Any person marketing wool products, textile fiber products, or fur or fur products, in commerce, may file an application with the Secretary of the Commission for issuance of a registered identification number. The Commission will furnish application forms upon request. Numbers are issued when, upon examination of the application, the applicant is found to come within the terms of the applicable rules and regulations. Numbers are subject to revocation for cause or upon a change in business status or discontinuance of business. The identity of holders of registered identification numbers issued by the Commission is released upon oral or written request directed to the Enforcement Division of the Bureau of Consumer Protection.

## Subpart E—Export Trade Associations

**§ 1.41 Limited antitrust exemption.**

The Export Trade Act authorizes the organization and operation of export trade associations, and extends to them certain limited exemptions from the Sherman Act and the Clayton Act. It also extends the jurisdiction of the Commission under the Federal Trade Commission Act to unfair methods of competition used in export trade against competitors engaged in export trade, even though the acts constituting such unfair methods are done without the territorial jurisdiction of the United States.

**§ 1.42 Notice to Commission.**

To obtain the exemptions afforded by the Act, an export trade association is required to file with the Commission, within thirty (30) days after its creation, a verified written statement setting forth the location of its offices and places of business, names, and addresses of its officers, stockholders, or members, and copies of its documents of incorporation or association. On the first day of January of each year thereafter, each association must file a like statement and, when required by the Commission to do so, must furnish to the Commission detailed information as to its organization, business, conduct, practices, management, and relation to

other associations, corporations, partnerships, and individuals.

### § 1.43 Recommendations.

Whenever the Commission has reason to believe that an association has violated the prohibitions of section 2 of the Act, it may conduct an investigation. If, after investigation, it concludes that the law has been violated, it may make to such association recommendations for the readjustment of its business. If the association fails to comply with the recommendations, the Commission will refer its findings and recommendations to the Attorney General for appropriate action.

## Subpart F—Trademark Cancellation Procedure

### § 1.51 Applications.

Applications for the institution of proceedings for the cancellation of registration of trade, service, or certification marks under the Trade-Mark Act of 1946 may be filed with the Secretary of the Commission. Such applications shall be in writing, signed by or in behalf of the applicant, and should identify the registration concerned and contain a short and simple statement of the facts constituting the alleged basis for cancellation, the name and address of the applicant, together with all relevant and available information. If, after consideration of the application, or upon its own initiative, the Commission concludes that cancellation of the mark may be warranted, it will institute a proceeding before the Commissioner of Patents for cancellation of the registration.

### § 1.63 Injunctions: Wool, fur, and textile cases.

In those cases arising under the Wool Products Labeling Act of 1939, Fur Products Labeling Act, and Textile Fiber Products Identification Act, where it appears to the Commission that it would be to the public interest for it to do so, the Commission will apply to the courts for injunctive relief, pursuant to the authority granted in such Acts.

[32 FR 8444, June 13, 1967, as amended at 41 FR 4814, Feb. 2, 1976]

### § 1.64 Condemnation proceedings.

In those cases arising under the Wool Products Labeling Act of 1939 and Fur Products Labeling Act, and where it appears to the Commission that the public interest requires such action, the Commission will apply to the courts for condemnation, pursuant to the authority granted in such Acts.

[32 FR 8444, June 13, 1967, as amended at 41 FR 4814, Feb. 2, 1976]

## Subpart H—Administration of the Fair Credit Reporting Act

AUTHORITY: 84 Stat. 1128, 15 U.S.C. 1681 *et seq.*

### § 1.71 Administration.

The general administration of the Fair Credit Reporting Act (Title VI of the Consumer Credit Protection Act of 1968; enacted October 26, 1970; Pub. L. 91-508, 82 Stat. 146, 15 U.S.C. 1601 *et seq.*) is carried out by the Bureau of Consumer Protection, Division of Credit Practices. Any interested person may obtain copies of the Act and these procedures and rules of practice upon

request to the Secretary of the Commission, Washington, DC 20580.

[36 FR 9293, May 22, 1971, as amended at 36 FR 18788, Sept. 22, 1971; 38 FR 32438, Nov. 26, 1973; 46 FR 26290, May 12, 1981]

### **§ 1.72 Examination, counseling and staff advice.**

The Commission maintains a staff to carry out on-the-scene examination of records and procedures utilized to comply with the Fair Credit Reporting Act and to carry out industry counseling. Requests for staff interpretation of the Fair Credit Reporting Act should be directed to the Division of Credit Practices, Bureau of Consumer Protection. Such interpretations represent informal staff opinion which is advisory in nature and is not binding upon the Commission as to any action it may take in the matter. Administrative action to effect correction of minor infractions on a voluntary basis is taken in those cases where such procedure is believed adequate to effect immediate compliance and protect the public interest.

[36 FR 9293, May 22, 1971, as amended at 36 FR 18788, Sept. 22, 1971; 38 FR 32438, Nov. 26, 1973; 46 FR 26290, May 12, 1981]

### **§ 1.73 Interpretations.**

(a) *Nature and purpose.* (1) The Commission issues and causes to be published in the FEDERAL REGISTER interpretations of the provisions of the Fair Credit Reporting Act on its own initiative or pursuant to the application of any person when it appears to the Commission that guidance as to the legal requirements of the Act would be in the public interest and would serve to bring about more widespread and equitable observance of the Act.

(2) The interpretations are not substantive rules and do not have the force or effect of statutory provisions. They are guidelines intended as clarification of the Fair Credit Reporting Act, and, like industry guides, are advisory in nature. They represent the Commission's view as to what a particular provision of the Fair Credit Reporting Act means for the guidance of the public in conducting its affairs in conformity with that Act, and they provide the basis for voluntary and simultaneous abandonment of unlawful

practices by members of industry. Failure to comply with such interpretations may result in corrective action by the Commission under applicable statutory provisions.

(b) *Procedure.* (1) Requests for Commission interpretations should be submitted in writing to the Secretary of the Federal Trade Commission stating the nature of the interpretation requested and the reasons and justification therefor. If the request is granted, as soon as practicable thereafter, the Commission will publish a notice in the FEDERAL REGISTER setting forth the text of the proposed interpretation. Comments, views, or objections, together with the grounds therefor, concerning the proposed interpretation may be submitted to the Secretary of the Commission within thirty (30) days of public notice thereof. The proposed interpretation will automatically become final after the expiration of sixty (60) days from the date of public notice thereof, unless upon consideration of written comments submitted as hereinabove provided, the Commission determine to rescind, revoke, modify, or withdraw the proposed interpretation, in which event notification of such determination will be published in the FEDERAL REGISTER.

(2) The issuance of such interpretations is within the discretion of the Commission and the Commission at any time may conduct such investigations and hold such conferences or hearings as it may deem appropriate. Any interpretation issued pursuant to this chapter is without prejudice to the right of the Commission to reconsider the interpretation, and where the public interest requires, to rescind, revoke, modify, or withdraw the interpretation, in which event notification of such action will be published in the FEDERAL REGISTER.

(c) *Applicability of interpretations.* Interpretations issued pursuant to this subpart may cover all applications of a particular statutory provision, or they may be limited in application to a particular industry, as appropriate.

### § 1.81 Authority and incorporation of CEQ Regulations.

This subpart is issued pursuant to 102(2) of the National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*). Pursuant to Executive Order 11514 (March 5, 1970, as amended by Executive Order 11991, May 24, 1977) and the Environmental Quality Improvement Act of 1980, as amended (42 U.S.C. 4371 *et seq.*) the Council on Environmental Quality (CEQ) has issued comprehensive regulations for implementing the procedural provisions of NEPA (40 CFR parts 1500 through 1508) (“CEQ Regulations”). Although it is the Commission’s position that these regulations are not binding on it, the Commission’s policy is to comply fully with the CEQ Regulations unless it determines in a particular instance or for a category of actions that compliance would not be consistent with the requirements of law. With this caveat, the Commission incorporates into this subpart the CEQ Regulations. The following are supplementary definitions and procedures to be applied in conjunction with the CEQ Regulations.

[47 FR 3096, Jan. 22, 1982, as amended at 50 FR 53304, Dec. 31, 1985]

### § 1.82 Declaration of policy.

(a) Except for actions which are not subject to the requirements of section 102(2)(C) of NEPA, no Commission proposal for a major action significantly affecting the quality of the human environment will be instituted unless an environmental impact statement has been prepared for consideration in the decisionmaking. All relevant environmental documents, comments, and responses as provided in this subpart shall accompany such proposal through all review processes. “Major actions, significantly affecting the quality of the human environment” referred to in this subpart “do not include bringing judicial or administrative civil or

criminal enforcement actions” CEQ Regulation (40 CFR 1508.18(a)). In the event that the Commission in an administrative enforcement proceeding actively contemplates the adoption of standards or a form of relief which it determines may have a significant effect on the environment, the Commission will, when consistent with the requirements of law, provide for the preparation of an environmental assessment or an environmental impact statement or such other action as will permit the Commission to assess alternatives with a view toward avoiding or minimizing any adverse effect upon the environment.

(b) No Commission proposal for legislation significantly affecting the quality of the human environment and concerning a subject matter in which the Commission has primary responsibility will be submitted to Congress without an accompanying environmental impact statement.

(c) When the Commission finds that emergency action is necessary and an environmental impact statement cannot be prepared in conformance with the CEQ Regulations, the Commission will consult with CEQ about alternative arrangements in accordance with CEQ Regulation (40 CFR 1506.11).

### § 1.83 Whether to commence the process for an environmental impact statement.

(a) The Bureau responsible for submitting a proposed rule, guide, or proposal for legislation to the Commission for agency action shall, after consultation with the Office of the General Counsel, initially determine whether or not the proposal is one which requires an environmental impact statement. Except for matters where the environmental effects, if any, would appear to be either (1) clearly significant and therefore the decision is made to prepare an environmental impact statement, or (2) so uncertain that environmental analysis would be based on speculation, the Bureau should normally prepare an “environmental assessment” CEQ Regulation (40 CFR 1508.9) for purposes of providing sufficient evidence and analysis for determining whether to prepare an environmental impact statement or a finding

of no significant impact. The Bureau should involve environmental agencies to the extent practicable in preparing an assessment. An environmental assessment shall be made available to the public when the proposed action is made public along with any ensuing environmental impact statement or finding of no significant impact.

(b) If the Bureau determines that the proposal is one which requires an environmental impact statement, it shall commence the “scoping process” CEQ Regulation (40 CFR 1501.7) except that the impact statement which is part of a proposal for legislation need not go through a scoping process but shall conform to CEQ Regulation (40 CFR 1506.8). As soon as practicable after its decision to prepare an environmental impact statement and before the scoping process, the Bureau shall publish a notice of intent as provided in CEQ Regulations (40 CFR 1501.7 and 1508.22).

(c) If, on the basis of an environmental assessment, the determination is made not to prepare a statement, a finding of “no significant impact” shall be made in accordance with CEQ Regulation (40 CFR 1508.3) and shall be made available to the public as specified in CEQ Regulation (40 CFR 1506.6).

#### **§ 1.84 Draft environmental impact statements: Availability and comment.**

Except for proposals for legislation, environmental impact statements shall be prepared in two stages: Draft statement and final statement.

(a) *Proposed rules or guides.* (1) An environmental impact statement, if deemed necessary, shall be in draft form at the time a proposed rule or guide is published in the FEDERAL REGISTER and shall accompany the proposal throughout the decisionmaking process.

(2) The major decision points with respect to rules and guides are:

(i) Preliminary formulation of a staff proposal;

(ii) The time the proposal is initially published in the FEDERAL REGISTER as a Commission proposal;

(iii) Presiding officer's report (in trade regulation rule proceedings);

(iv) Submission to the Commission of the staff report or recommendation for final action on the proposed guide or rule;

(v) Final decision by the Commission. The decision on whether or not to prepare an environmental impact statement should occur at point (a)(2)(i) of this section. The publication of any draft impact statement should occur at point (a)(2)(ii) of this section. The publication of the final environmental impact statement should occur at point (a)(2)(iv) of this section.

(b) *Legislative proposals.* In legislative matters, a legislative environmental impact statement shall be prepared in accordance with CEQ Regulation (40 CFR 1506.8).

(c) In rule or guide proceedings the draft environmental impact statement shall be prepared in accordance with CEQ Regulation (40 CFR 1502.9) and shall be placed in the public record to which it pertains; in legislative matters, the legislative impact statement shall be placed in a public record to be established, containing the legislative report to which it pertains; these will be available to the public through the Office of the Secretary and will be published in full with the appropriate proposed rule, guide, or legislative report; such statements shall also be filed with the Environmental Protection Agency's (EPA) Office of Environmental Review (CEQ Regulation (40 CFR 1506.9)) for listing in the weekly FEDERAL REGISTER Notice of draft environmental impact statements, and shall be circulated, in accordance with CEQ Regulations (40 CFR 1502.19, 1506.6) to appropriate federal, state and local agencies.

(d) Forty-five (45) days will be allowed for comment on the draft environmental impact statement, calculated from the date of publication in the EPA's weekly FEDERAL REGISTER list of draft environmental impact statements. The Commission may in its discretion grant such longer period as the complexity of the issues may warrant.

#### **§ 1.85 Final environmental impact statements.**

(a) After the close of the comment period, the Bureau responsible for the

matter will consider the comments received on the draft environmental impact statement and will put the draft statement into final form in accordance with the requirements of CEQ Regulation (40 CFR 1502.9(b)), attaching the comments received (or summaries if response was exceptionally voluminous).

(b) Upon Bureau approval of the final environmental impact statement the final statement will be

- (1) Filed with the EPA;
- (2) Forwarded to all parties which commented on the draft environmental impact statement and to other interested parties, if practicable;
- (3) Placed in the public record of the proposed rule or guide proceeding or legislative matter to which it pertains;
- (4) Distributed in any other way which the Bureau in consultation with CEQ deems appropriate.

(c) In rule and guide proceedings, at least thirty (30) days will be allowed for comment on the final environmental impact statement, calculated from the date of publication in the EPA's weekly FEDERAL REGISTER list of final environmental impact statements. In no event will a final rule or guide be promulgated prior to ninety (90) days after notice of the draft environmental impact statement, except where emergency action makes such time period impossible.

#### **§ 1.86 Supplemental statements.**

Except for proposals for legislation, as provided in CEQ Regulation (40 CFR 1502.9(c)), the Commission shall publish supplements to either draft or final environmental statements if:

- (a) The Commission makes substantial changes in the proposed action that are relevant to environmental concerns; or
- (b) There are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action and its impacts. In the course of a trade regulation rule proceeding, the supplement will be placed in the rulemaking record.

#### **§ 1.87 NEPA and agency decisionmaking.**

In its final decision on the proposed action or, if appropriate, in its rec-

ommendation to Congress, the Commission shall consider all the alternatives in the environmental impact statement and other relevant environmental documents and shall prepare a concise statement which, in accordance with CEQ Regulation § 1505.2, shall:

- (a) Identify all alternatives considered by the Commission in reaching its decision or recommendation, specifying the alternatives which were considered to be environmentally preferable;
- (b) State whether all practicable means to avoid or minimize environmental harm from the alternative selected have been adopted, and if not, why they were not.

#### **§ 1.88 Implementing procedures.**

(a) The General Counsel is designated the official responsible for coordinating the Commission's efforts to improve environmental quality. He will provide assistance to the staff in determining when an environmental impact statement is needed and in its preparation.

(b) The Commission will determine finally whether an action complies with NEPA.

(c) The Directors of the Bureaus of Consumer Protection and Competition will supplement these procedures for their Bureaus to assure that every proposed rule and guide is reviewed to assess the need for an environmental impact statement and that, where need exists, an environmental impact statement is developed to assure timely consideration of environmental factors.

(d) The General Counsel will establish procedures to assure that every legislative proposal on a matter for which the Commission has primary responsibility is reviewed to assess the need for an environmental impact statement and that, where need exists, and environmental impact statement is developed to assure timely consideration of environmental factors.

(e) Parties seeking information or status reports on environmental impact statements and other elements of the NEPA process, should contact the Assistant General Counsel for Litigation and Environmental Policy.

**§ 1.89 Effect on prior actions.**

It is the policy of the Commission to apply these procedures to the fullest extent possible to proceedings which are already in progress.

**Subpart J—Economic Surveys, Investigations and Reports**

**§ 1.91 Authority and purpose.**

General and special economic surveys, investigations, and reports are made by the Bureau of Economics under the authority of the various laws which the Federal Trade Commission administers. The Commission may in any such survey or investigation invoke any or all of the compulsory processes authorized by law.
